

KUPU SB ALUMNI ASSOCIATION

VISION

To become a leading alumni association in advancing the intellectual, religious, social, and economic development of its members, as well as contributing to the development of KUPU SB and the aspirations of the nation.

MISSION

1. Empowering the welfare and interests of members by prioritizing intellectual, economic, religious, social, cultural, and sports development through various relevant programs and activities.
2. Strengthening the alumni network by uniting all KUPU SB graduates and establishing strategic relationships between universities, other higher education institutions, and the wider community.
3. Being the voice of alumni by ensuring active involvement of KUPU SB Alumni representatives in university authorities and external bodies, advocating for the interests of the association.
4. Supporting the development of the university by contributing energy, ideas, expertise, and resources towards the advancement of Kolej Universiti Perguruan Ugama Seri Begawan.
5. Aligning with national aspirations by coordinating the association's programs to support excellence in education, religion, and social development, in line with the nation's vision.

OBJECTIVES

1. Organizing member development programs including workshops, seminars, and forums focusing on enhancing intellectual, economic, religious, and social competencies.
2. Building a robust alumni network platform by organizing alumni gatherings, fostering collaborations with other universities, and establishing relationships with the industrial sector and the community.
3. Appointing alumni representatives to serve on university bodies and relevant external organizations to ensure the voice of alumni is represented and advocated for.
4. Contributing directly to the development of KUPU SB through initiatives such as financial contributions, expertise in curriculum development, and collaborative innovation projects with the university.
5. Implementing programs that support national aspirations by focusing on education, religion, and social development through various activities such as community campaigns, community service projects, and collaborations with governmental institutions.
