

CENTRE FOR RESEARCH AND PUBLICATION

INTRODUCTION

This centre was previously known as the Publication Centre. After rebranding, it is now called the Research and Publication Center starting from July 1, 2024. The centre plays a role in disseminating the research outcomes of its academic staff to the campus community and the public in Brunei Darussalam and the surrounding regions through conferences, seminars, and publications.

VISION

A Renowned and Leading Religious Education Research and Publication Centre.

MISSION

To Uphold Research and Publication in Religious Education.

OBJECTIVES

- Encourage every academic member of Seri Begawan Religious Teachers University College to conduct research, write, and publish high-quality research findings.
- Disseminate research findings through conferences, seminars, and digital platforms, as well as journal and book publications.
- Establish Seri Begawan Religious Teachers University College as a leading institution in research on religious teaching and education.
- Enhance cooperation with research institutions, industries, and global communities to improve knowledge exchange and resources.

FUNCTIONS

- Develop a systematic and comprehensive research database that is easily accessible for knowledge dissemination and utilization.
- Plan and implement courses, training, workshops, seminars, exhibitions, conferences, and publications.
- Establish national and international cooperation networks to advance and expand research at Seri Begawan Religious Teachers University College.
- Publish academic works of scholars and intellectuals from Brunei Darussalam, both local and overseas graduates.
- Manage the publication of books, journals, proceedings, bulletins, programs, certificates, and brochures.

- Collect, evaluate, edit, review materials, and plan publication outputs.
- Promote books published by Seri Begawan Religious Teachers University College at the local and international levels.
