THE ESTABLISHMENT

The establishment of KUPU SB represents a unique Islamic landmark in Brunei Darussalam by elevating the study of Islamic religious teaching, becoming the centre of Jawi writing and increasing the wealth of Kitab Melayu Turath.

With foundations in the integration of knowledge, training, research, services, technology and holistic self-identity as enshrined in the mission of its establishment, KUPU SB shines proudly and to one day be recognised as an international standard and well known higher learning institute that is the pride of the country.

The mission of KUPU SB is to raise the status of religious teaching in Brunei Darussalam and produce educators of high self-esteem through the integration of training knowledge, research, services, intellectuality and technology based on Islamic principles as well as the Islamic Malay Monarchy, MIB concept and National Education Philosophy.

It was upgraded to the status of a university on 20th January 2007 during the 1428 Hijrah's celebration by His Majesty Sultan Haji Hassanal Bolkiah Mu'izzaddin Waddaulah Ibni Al-Marhum Sultan Haji Omar 'Ali Saifuddien Sa'adul Khairi Waddien, Sultan and Yang Di-Pertuan of Negara Brunei Darussalam, Chancellor of KUPU SB

In highlighting the importance roles of KUPU SB, His Majesty, Chancellor has continuously reminding about the three main role of KUPU SB in the country that are:

- ❑ firstly, to produce religious teachers in this era of globalization. As mentioned by His Majesty, Chancellor “Religious Education teachers are on the frontline, and such is the purpose of establishing KUPU SB, which is to produce quality religious teachers capable of educating the nation's children”,
- ❑ Secondly, His majesty has also mentioned that religious education teachers are increasingly important in fending off negative influences that result in social ills, including "spiritual and moral illnesses" particularly in the era of globalization where the world is ‘borderless’ (everything can be reached at the tips of the finger).
- ❑ lastly, KUPU SB as the institution most suitable to offer or handle academic programmes in the field of Jawi writing and Turath scriptures as the pillar of Islamic excellence in the country.

PHILOSOPHY
